

HOSPITAL BAG COMPLETE PLANNER

Plan • Pack • Prepare • Go

A calm, practical workbook for expecting parents preparing for the hospital, birth day, and the journey home.

30+ pages • checklists • trackers • planning pages

CalculateWellHub

Welcome

Turn hospital preparation into small, manageable steps.

How to use this planner

- ☐ Start early and update your lists as you learn what your birth location provides.
- ☐ Pack items in groups so you can find them quickly.
- ☐ Use trackers to mark what is packed and where it is stored.
- ☐ Keep important documents and contacts easy to reach.
- ☐ Do a final check before your hospital trip.

Hospital / birth location: _____

Estimated due date: _____ Care provider: _____

My Hospital & Birth Information

Record the practical details you may want when it is time to go.

Hospital details

- ☐ Hospital / birth center: _____
- ☐ Address: _____
- ☐ Main phone: _____ Labor & delivery: _____
- ☐ Parking / entrance notes: _____
- ☐ Check-in instructions: _____

Important Documents & Information

Keep required documents together and follow your hospital's instructions.

Document checklist

- ☐ Photo ID(s), if required
- ☐ Insurance information / insurance card
- ☐ Hospital registration information
- ☐ Medical / prenatal records, if requested
- ☐ Birth plan / birth preferences, if using one
- ☐ Medication list / relevant health information for your care team
- ☐ Emergency contact information
- ☐ Any hospital-specific forms

Tip: Keep originals and copies according to your hospital's instructions. Bring only what you need.

Questions to Confirm With My Hospital

Write down answers so you do not have to remember them later.

Questions

- ☐ What should I bring for myself?
- ☐ What should I bring for baby?
- ☐ What does the hospital provide?
- ☐ Where should I park / enter when labor begins?
- ☐ Where do I check in?
- ☐ What are the visitor / support-person policies?
- ☐ What identification or insurance information is needed?
- ☐ Are there specific clothing, feeding, or postpartum items recommended?
- ☐ What should I know about discharge and going home?

My answers / notes

Birth-Day Preparation Checklist

▲ ~~Birth~~ final preparation pass.

Before the trip

- ☐ Hospital bag is by the door / in the car.
- ☐ Important documents are easy to reach.
- ☐ Phone is charged.

4.	☐	
5.	☐	
6.	☐	
7.	☐	
8.	☐	
9.	☐	
10.	☐	

Notes

Use this space for anything you want to remember.

My Ready-to-Go Summary

▲ final snapshot of the essentials.

I feel prepared

- ☐ I know where to go.
- ☐ I know who to contact.
- ☐ My bags are packed.
- ☐ My documents are ready.
- ☐ My transportation plan is ready.
- ☐ Baby's car seat is ready.
- ☐ My support person is prepared.
- ☐ My home / childcare / pet plan is ready.
- ☐ I have checked my hospital's specific guidance.
- ☐ I have written down my last-minute items.

My final reminder to myself:

YOU'RE READY.

A little preparation can make the practical side of birth feel more manageable.

Keep this planner nearby, update it when needed, and make it your own.

Important note

This planner is for organization and general preparation only. It is not medical advice and does not replace guidance from your healthcare professional or birth facility. Hospital policies, supplies, and recommendations vary, so confirm your specific requirements before your hospital stay.
